**INTELLIGENCE COLLECTION COORDINATOR**  
**Deputy Commissioner's Briefing**

**TIU / El-Shinawy Update (Lt Sullivan, Thurs 8 May 08, 2117 Hours):**

- El-Shinawy showed up at Bklyn Islamic Center as normal. Our CI engaged him and everything seemed fine as he gave his normal lecture. The CI advises that he is not cleanshaven, so that info we got was wrong. So the main points for the brief are that he is back in NYC, he refused to answer questions at the secondary, but everything seems normal with him.

**TIU / El-Shinawy Update (Lt Sullivan, Thurs 8 May 08, 2022 Hours):**

- Mohammed Elshinaway returned from Egypt on Tues, 6 May 08. He was there for about 6 weeks, we think he was looking for a wife.
- ICE secondaried him upon his arrival at JFK. He told them he was in Egypt visiting family and refused to answer any questions. He also refused their request to empty his pockets.
- One thing of note is that he was cleanshaven upon his arrival. Very unusual for him and we don't know why at this point.
- JTTF is supposed to be conducting surveillance on him immediately. We have not confirmed this.
- He is scheduled to speak tonight at Bklyn Islamic Center M-21. We are sending two CIs there but I won't know if he showed until after 2230 hrs.
